

Summer Camp

Camp will be held in person for two one-week sessions. Each day is filled with workplace readiness, self advocacy training, and post-secondary educational counseling in a caring, supportive environment. Participants will have the opportunity to complete a **20-hour paid (\$10/hour) Work Based Learning Experience (WBLE)**, at the discretion of their VR Counselor, that focuses on the logistics and electronics recycling industries. Skills and tasks that will be taught include, but are not limited to - material sorting and handling, electronic disassembly, packaging, manufacturing and assembly, as well as fulfillment and shipping.
