

Project SEARCH information meeting!

Project SEARCH Adult Model is a partnership between MacDonald Training Center, Zoo Tampa at Lowry Park, Project SEARCH, Florida Developmental Disabilities Council, RESPECT of Florida, and Vocational Rehabilitation.

Project SEARCH is a nine-month program that takes place **100% onsite** at Zoo Tampa at Lowry Park!

- ☆ Classroom instruction, career exploration, and hands-on experiential learning through workplace immersion.
- ☆ Gain meaningful and transferrable skills and experience as well as increased independence, confidence, and self-esteem.
- ☆ Participate in three (3) different internships for a diverse hands-on experience.
- ☆ Prepare for competitive community employment.
- ☆ Work-based, individualized coaching, instruction and personalized feedback.
- ☆ Connect to Vocational Rehabilitation and other support services.
